The Private Provision of Public Transport

By

Jonathan Richmond

The Private Provision of Public Transport is available from the Taubman Center for State and Local Government at Harvard University. Single copies cost $25. Five or more copies are available for $20 per copy. Educational institutions may order copies for $17 each, with a minimum order of eight copies. There is no extra charge for postage to addresses in the US or Canada. Postage for orders to Mexico costs $7, and to all other countries $9, for Global Priority Mail service for up to three copies. Please inquire about postage rates for larger international orders. Please address questions about orders to taubman@harvard.edu; telephone (617) 495-2199.

Please send this form, together with your payment in US dollars, to: Publications, Taubman Center for State and Local Government, John F. Kennedy School of Government, Harvard University, 79 JFK St., Cambridge MA 02138-5801, USA.
